NAME OF MAJOR COMPONENT Sextant Cable Ass'y PART OR LOWEST SUBASSEMBLY Push Pull Cables PART NO. & MODEL OR TYPE PROPOSAL: Sextant Mirror & Filter Control Cables - Revision NATURE OF PROPOSAL: Replace present wire and shaft assembly and modify cable lower end anchor fitting on sextant mirror and filter position controls with redesigned components incorporating improved attachments. Prepare and issue a service bulletin and fabricate appropriate kits. We are proceeding in advance of written approval. REASON FOR PROPOSAL: To replace components of sextant mirror and filter position control cable assemblies with improved components designed to reduce the possibility of failure and concomitant aborted missions. Ref.: UR 59-187 ESTIMATED COST AND TIME INVOLVED: - ADDITIONAL FUNDING REQUIRED: - ESTIMATED COST FOR KITS OR PARTS: ADDROX. \$17.00 per kit.			'				·			
APPROVED TO PROPOSAL: Part of Proposal: Replace present wire and shaft assembly and modify cable lower end anchor fitting on sextant furror and filter position controls with redesigned components incorporating improved attachments. Prepare and issue a service bulletin and fabricate appropriate kits. We are proceeding in advance of written approval. REASON FOR PROPOSAL: To replace components of sextant mirror and filter position control cable assemblies with improved components designed to reduce the possibility of failure and concomitant aborted missions.
